The **Open Maps Meeting** brings together an international community of geospatial researchers, map curators, open-source developers and other professionals with a love for open data and historical maps.

Organized by Jules Schoonman and Vincent Baptist (TU Delft). Funded by Open Science NL, KNAW Humanities Cluster, Stichting Pica and TU Delft.

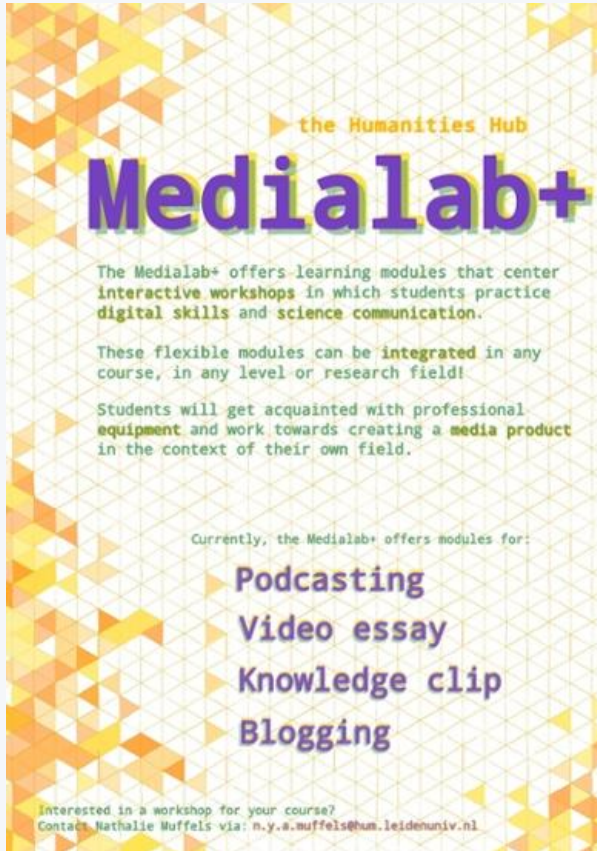

Registration at: [Open Maps Meeting](#)

Humanities Hub for Digital Research Skills, and Media

Relocation of the LUCDH Digital Lab & Studio from P.J. Veth!

The Digital Lab, Studio & LUCDH Offices and Media Lab+ Workshops, Journalism Lab & Offices, Ludic Lab, and Podcast & Film Studios have relocated from P.J. Veth to the

Humanities Hub on the ground floor of Huizinga, and are now open, and ready to welcome students and staff.

A poster for Medialab+ with a yellow and orange geometric pattern background. The text on the poster includes: 'the Humanities Hub', 'Medialab+', 'The Medialab+ offers learning modules that center interactive workshops in which students practice digital skills and science communication.', 'These flexible modules can be integrated in any course, in any level or research field!', 'Students will get acquainted with professional equipment and work towards creating a media product in the context of their own field.', 'Currently, the Medialab+ offers modules for:', 'Podcasting', 'Video essay', 'Knowledge clip', 'Blogging', and 'Interested in a workshop for your course? Contact Nathalie Muffels via: n.y.a.muffels@hum.leidenuniv.nl'.

Medialab+ Workshops for students.

Attention teachers: Interested in a Workshop for your course?

Contact: Nathalie Muffels:

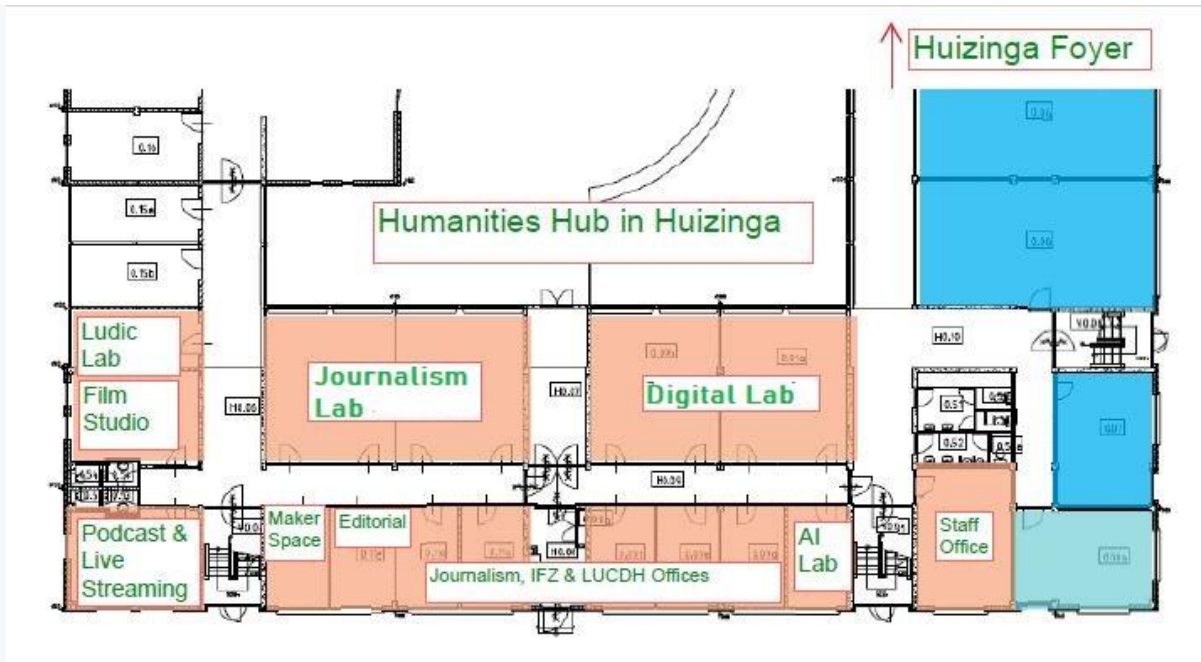

n.y.a.muffels@hum.leidenuniv.nl

Workshops will be held in the Humanities Hub labs & studios 0.09, 0.11, 0.12, 0.13

Read more here on the new facilities for Digital Humanities research - "[Ready for the digital future: The Humanities Hub](#)"

The Humanities Hub is a central location in Huizinga designed to strengthen the collaboration, connection and exchange of ideas in teaching and research on humanities in the digital world.
