Master Thesis and Internship

MSc Programme Social and Organizational Psychology

**Universiteit
Leiden**
The Netherlands

Discover the world at Leiden University

Master Thesis

- Thesis written on a research project.
- Research projects will be done with fellow students, but the master thesis will be written individually.
- Learn to integrate and apply the knowledge and skills acquired during courses.

Master Thesis: Practical

- Staff members offer a variety of thesis topics
- No enrollment via uSis, you will receive an invitation via e-mail to select your preferred top 5 in our program Mieneke 2.0
- Based on your top-5s, Mieneke 2.0 allocates the topics
- As soon as you know your topic, contact your master thesis supervisor

Master Thesis: Practical

- Topics are offered based on the research expertise of staff members to ensure high quality supervision
- Read the website and Brightspace very well
- Your thesis supervisor is your mentor

Master Thesis: Global planning

- **Schedule**

- Half November: first meeting
- T.b.d. (e.g. end of January): finish research proposal
- T.b.d. (e.g. end of February): write intro
- T.b.d. (e.g. beginning of March): collect data
- T.b.d.:(e.g. half/end April) methods, results discussion
- Half May: finish thesis

Internship

- Familiarizing yourself with the professional activities of a S&O psychologist
- ± start half May (min 280 hours)
- You must find an internship yourself
- You should have finished all obligatory courses and completed the data collection for your Master Thesis
- Your Master Thesis supervisor is also your internship supervisor

All info on Brightspace page!

- <https://brightspace.universiteitleiden.nl/>
- Log in with your ULCN-account
- You will be automatically enrolled for the course Master Psychology: SOP & ECP
- Find useful information about the Master Thesis and the Internship (e.g., requirements, guidelines, tips and tricks)
